Dear Mr Harvey,

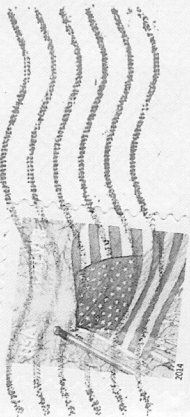

We have written you
before with NO response.

We have a person with
a disability his name is
John Satterfield he loves watching
your show. We have tried
to call you two or three
times on your Radio Station
WDAS in Lower Marion, PA
We have not heard anything
from you. If you could
send anything with your
picture on it would be fine
John cannot talk clear
he can say Steve he
watches you from 3-7 P.M.
After eating his dinner
until he goes to bed

Mr. Harvey a letter would
do also from: Someone who
admire you. John Satterfield
It would mean so much John is RETARDED

Mr. John Peterfield
